INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with 37 C.F.R. § 1.56, the references cited on the attached Form PTO/SB/08A & B (modified) are being called to the attention of the Examiner for consideration with the examination of the patent application filed herewith.

Copies of cited U.S. patents and U.S. patent application publications, if any, are not enclosed, as permitted for U.S. applications filed after June 30, 2003 (Information Disclosure Statements May Be Filed Without Copies of U.S. Patents and Published Applications in Patent Application Filed After June 30, 2003, Pre-OG Notices). Copies of other references, if any, are enclosed.

It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom. The Examiner is further requested to return the attached Form PTO/SB/08A & B (modified) with initials or other appropriate marks indicating consideration of the cited materials.

Some documents may have markings on thereon. No significance is meant to be attached to the markings. Furthermore, no inference should be made that the information and references cited are, or are considered to be, material to patentability as defined by 37 C.F.R. § 1.56(b) merely because they are in this statement, and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

Respectfully submitted,

A handwritten signature in black ink, consisting of a series of loops and a long horizontal stroke extending to the right.
